School Photos
Thank you for the wonderful response to the photo orders this year. Kay and Cliff from Dykes Photography do a fantastic job each year. Nothing is too much trouble and the results they get are testimony to the time they take to make sure they get the best shot for each student. The option to pay online has also suited many people and makes life a little easier for the school office staff. Think about this as an option for next year. I am sure you will enjoy the results of this year’s efforts.

Mothers’ Day
I hope all our wonderful mothers had a great day on Sunday. You certainly deserve it! Our P&C team worked very hard here putting together the raffle and the Mothers’ Day Stall which were both very popular again this year. Thanks to all who supported these activities and especially the P&C for their continued efforts to support our students.

Parent Forum Term 2 Event
Our next Parent Forum is coming up very quickly. This will take place on Thursday, 5th June at 10:00 in the library. The topic will be “Communication” with Louise Smith and Christine Porter reviewing the project they have worked on over the past two years with families and schools around Bathurst. This includes the research into the use of iPads and the Pictello app to support communication and socialization development, along with the resource package that was developed and distributed to all schools in our area plus many around what was the old Western Region. These forums have proved to be very popular with our school community as they are a great way to get relevant information, meet other parents and network. More information and an invitation will be coming out soon. I look forward to seeing you there.

Conference Presentation
Louise Smith, Christine Porter and Ed Johnson along with Tanya De Bortoli from CSU, have been the team working on Carenne’s communication research project. Louise, Christine and Ed will be presenting a paper on this communication project research next week at the Inclusive Learning Technologies Conference in QLD. Well done and all the best to them for this great opportunity to promote their research findings. A just reward after two years of hard work completing this demanding task.

New Maths Curriculum
Throughout 2014, the teaching staff at Carenne will be spending time becoming familiar with the new Maths syllabus which is part of the introduction of the new Australian Curriculum. Our teachers will be participating in school based professional learning to assist with this process as well as joining other Bathurst schools for training events. Our teachers are working to incorporate the outcomes from the new syllabus into their programming for their students. For more information on the new syllabus, you can go to the Board of Studies website or type in the link on your computer: www.boardofstudies.nsw.edu.au You will find lots of information on this site. The Board of Studies has now combined with the Institute of Teachers to become BOSTES, Board of Studies, Teaching & Educational Standards.

Outdoor Education
This year we are working with ASPIRE, part of the OCTEC programs, to provide further opportunities for our students to learn valuable skills for independence.

Take care, Neil.

DATES:
Monday, 19th May
ASPIRE Outdoor Education - Class H
Vaccinations - All of Year 7 plus Year 9 Boys

Tuesday, 20th May
Class N - Sailing on Sydney Harbour

Monday, 26th May
Indoor Soccer (Sec.)

Tuesday, 27th May
Reconciliation Week begins

Monday, 2nd June
Indoor Soccer (Primary)

Thursday, 5th June
10:00 Parent Forum—Communication

Wednesday, 18th June
AFL Carnival in Dubbo

Quality Education, Towards Independence, In a Safe and Secure Environment.
Each week we continue to work on our Number, Colour, Shape and Letter/Sound of the week.
This week we have worked on our letter “Ll” learning activities. We visited the Bathurst City Library and listened to a story. We wrote letters and then visited the Post Office to post our letters home to our families. Kindy Mc have a Post Office in our Dramatic Play area where we continue to practise our letter writing skills.
Each week we are working on our gross motor skills in our school gym; the rope swing, gyro cars and obstacle course are our favourite activities when we visit the gym.
We’ve had a great start to the new term in Class C. We have been working on activities from our ‘Living and Non-Living Things’ unit in science. We have learnt that living things breathe, move, eat, grow and change. We have looked closely at the life-cycle of a butterfly and completed several butterfly inspired art works.

We enjoyed completing some modified athletics activities on the day of the Primary Athletics Carnival. We are looking forward to lots of other fun events throughout the term.
The students in Class M have settled happily into the new school term and have been busy with a range of class activities and fun school events. Everyone enjoyed their time at the recent school athletics day and the visit from the Scots School Pipe and Drum band. In class we are continuing with our unit of work on “Healthy Choices” and the students have been practicing their teeth brushing skills with the giant teeth. We’ve recently learnt to dance to “Splish splash I was taking a bath” as part of our “Healthy Choices” unit and always have fun with the percussion instruments and the guitars.
Class F have been doing lots of wonderful work. Brady has been counting and identifying numerals. Callan draws amazing drawings to go with his description writing. Daniel has been completing his number grids. Joshua chooses wonderful words for our ‘sound of the week’ activities. Nicholas is trying very hard in reading activities and Oscar loves it when it’s art and craft time. We are very lucky to have Kathleen “Queenie” Matheson come in on Mondays to help with 1-1 activities. Steph Cupples is loving ‘Fun Day Friday’ when we go shopping and do cooking. Everyone one is working very well on being respectful to each other. We are practicing how to greet people and improving our conversation skills. We are also focusing on sharing and being a good friend. Class F for FUN!!!
We have another busy Term with our tub work, and good luck to Cain as he is doing his NAPLAN tests this week. We are also getting ready for assessments—for our half yearly reports. We have also had a busy time with sports playing league tag, athletics and soon to come - indoor soccer, netball and AFL carnivals.

We are also very excited that we are probably able to go sailing on Sydney Harbour next Tuesday. We have had to cancel this trip 2 times before due to inclement weather and really hope we can finally get to go next week.

We will also start to organise our Term 2 excursion to Canberra in the last week of the Term.
Class D

Nadine Dwyer and Adam Ryan

Class D have had a very busy start to the term. We have helped get the cows ready for the Bathurst Show, played football against the NSW Disability Rugby League Team, learnt football skills from NSW Country Rugby League, started Canteen again and watched a performance of Beauty and The Beast and helped Cody to celebrate his birthday. We love to go to the farm on Thursdays and help Darren with chores around the farm.
Class K has had an action packed start to Term 2. Last week we all competed in the Athletics Carnival at the Bathurst Sports ground. This was a fantastic day and we were extremely proud of all the students in Class K that participated in every event. Some events were more challenging than others—such as the discus—however once we all took cover behind the fences we saw some great throws. Caitlin was the overall winner for her age group and will move on to the District Carnival. Well done Caitlin!

RDA commenced last week with Mrs Gavin and some of our students had their very first ride on a horse. This was very exciting to see. Our students can’t wait to ride again and we would like to thank Mrs Gavin and all the wonderful volunteers that make this activity possible.

Last term we took part in the Easter Hat Parade which was a wonderful afternoon. Thanks you to all the Parents that came along and cheered us on.

We have also had 2 birthdays in our room recently. Caitlin and Maylee have turned 10 and we have had cakes to celebrate these birthdays. We have also been enjoying wearing our new dress ups in our classroom. See you soon in Class K.
A great big hello from everyone in Class B. Term 2 is off and running and we have been very busy. We have all been working on our individual programs covering fine and gross motor skills, switch work and communication skills. Through our physical therapy component of our program we have been working on improving our strength, balance and endurance by doing a variety of activities.

Anne, Kym, Ellen and the students of the ‘Resort’ (Class B)
This semester Class O and 3 other students from Class L have been actively involved in a school-based work experience program. The students are eager to take initiatives to complete chores such as cleaning up school iPads, computers, inflate balls, fold and put away washing, help with some photocopying and many more. It is great to see our students are motivated and enjoy doing work with minimum effort and little supervision.
We have already been so busy in term 2 in class H. We enjoyed the Beauty and the Beast performance, our ANZAC celebrations, making mothers day craft, participating in the athletics carnival and some of us have been riding very nicely at RDA. Ewan has moved to another school this week, so we enjoyed a farewell party and wish him all the best at his new school.
It has been another busy start this term with the boys all participating in the athletics carnival. We have also had the Digger Dogs in class and everyone enjoyed watching the tricks they could do.

We continue to do work experience every Monday and Friday and the pigs are staying well fed. We also had the National Disability NRL team give the boys a coaching session which they all enjoyed.

We have started learning about different countries and the foods they eat. Cooking each week has been yummy and this week we are cooking fresh crumpets on Thursday.
It has been a very busy couple of weeks for Class A with the school sport carnival, the Bathurst Show and helping with the establishment of the vertical Garden at the Riding for Disabled (RDA) Site.

A number of students from Class A worked with Mr Ryan and his father to help prepare of the steers for showing at the Bathurst Show. The students trained Lewi to lead as well as washing him and clipping him. Lewi came second in the Open Division where he competed against another eight other steers. The class was very proud of this achievement. We are hoping that next year that the school might have a steer ready for the Sydney Show.

The students are also helping to develop a vertical gardens at RDA. We would like to thank Glenray Industries who have donated over 50 pallets for the project. We are designing a number of styles of vertical gardens to determine which one is the most suitable for the site.

The students are progressing at their TAFE courses. Ryan Jeffries video editing skills are improving dramatically while the woodwork students have made bottle holders for Mothers Day as well as bench hooks for our workshop at the school.

Will and Aden are working very hard with Mr Phillips to develop a library of photos for the school. It will be an impressive body of work by the end of the year which the students should be very proud of creating.

Lewi The Steer and students. We would like to thank Mr Ryan and Mr Ryan’s father and brother for helping in preparing Lewi for the Bathurst Show.
Here’s hoping everybody had a relaxed holiday. Class L students have come back refreshed and happy and have had a particularly busy sporty start to the term. We started off with bushwalking with a group called ‘Aspire’ and we drove to Blackheath on the Blue Mountains where we spent a lovely day walking down the trail to Govett’s Leap. We then enjoyed a picnic lunch and came home. We visited the Tourism office and saw a variety of animals and plants on the walls and floor, that we were hoping to come in contact with along the way.
We have started to play our winter sports in Term 2. Carenne had a great School Athletics Carnival last week, with over 50 of our students participating from our Primary and Secondary classes. Everyone had a great time and congratulations to Caitlin, Lachlan, Will, Jordan, Cassie and John for getting their respective age groups best and fairest trophies.

We had a great time yesterday with the Country NRL junior coaching squad visiting our school and putting our students through their Rugby League skills session and a game, as well. Also great to have a game of League tag with the NSW Intellectually Disabled Rugby League team last week. They were very good, but Carenne scored a few times as well.

Looking forward to todays Regional Athletics carnival at Cowra, where we will be taking 8 of our students to compete.

Looking forward to our upcoming carnivals this Term—Indoor Soccer, AFL (at Dubbo) and Dream Cricket.
P&C News and Information

Mother’s Day Raffle - We had a very successful Mother’s Day that raised $470 for the P&C to help support activities and programs for the school.

The lucky winners were as follows:-

<table>
<thead>
<tr>
<th>Winner</th>
<th>Prize</th>

<td>Wooden Bowls 2</td>
<td>Green B 31</td>
</tr>
<tr>
<td>Dani</td>
<td>Luxury Towel and Bath gift pack</td>
<td>Green C 6</td>
</tr>
</tbody>
</table>

Mother’s Day Stall

We had another well supported Mother’s Day Stall for our students to purchase gifts. Thanks to the donations of gifts from the school community, the P&C had a profit of $215 dollars, that will go towards providing food and activities for our Fun Day later on in the year.

The P&C would like to thank the school community for the donations of the beautiful prizes we had to raffle and the gifts donated for the stall. Also we couldn’t do it without the cooperation and support from our teachers and our wonderful ladies at the front office, Helen, Debbie and Jasmine.

Reforms to P&C Federation

The NSW Parliament has introduced legislation to reform the NSW Federation of Parent and Citizens Associations, which has suspended operation pending Supreme Court action. While these reforms will not affect the day-to-day operation of individual school P&Cs, they will introduce a new executive structure which will ensure the Federation operates as a modern and representative body on behalf of school P&C Associations.

Each school’s P&C Association will be asked to vote for councillors and delegates who will represent their electorate at the Federation’s Annual General Meeting and councillors who will serve on the Federation’s Board of Management. More information will be available on the Department’s website at http://www.schools.nsw.edu.au/gotoschool/a-z/involvement.php.
### Too sick for school?

Generally if your child feels unwell, keep them home from school and consult your doctor. This chart and the information it contains is not intended to take the place of a consultation with your doctor.

<table>
<thead>
<tr>
<th>Condition</th>
<th>Description</th>
<th>Duration/Notes</th>
</tr>
</thead>
<tbody>
<tr>
<td>Bronchitis</td>
<td>Symptoms are coughing, a runny nose, sore throat and mild fever. The cough is often dry at first, becoming moist after a couple of days. There may be a slight wheeze and shortness of breath. A higher fever (typically above 39°C) may indicate pneumonia.</td>
<td>⏳... until they are feeling better. Antibiotics may be needed.</td>
</tr>
<tr>
<td>Chickenpox (Varicella)</td>
<td>Slight fever, runny nose, and a rash that begins as raised pink spots that blister and scab.</td>
<td>⏳... for 5 days from the onset of the rash and the blisters have dried.</td>
</tr>
<tr>
<td>Conjunctivitis</td>
<td>The eye feels ‘scratchy’, is red and may water. Lids may stick together on waking.</td>
<td>⏳... while there is discharge from the eye unless a doctor has diagnosed a non-infectious cause.</td>
</tr>
<tr>
<td>Diarrhoea (no organism identified)</td>
<td>Two or more consecutive bowel motions that are looser and more frequent than normal and possibly stomach cramps.</td>
<td>⏳... for at least 24 hours after diarrhoea stops.</td>
</tr>
<tr>
<td>Fever</td>
<td>A temperature of 38.5°C or more in older infants and children.</td>
<td>⏳... until temperature is normal.</td>
</tr>
<tr>
<td>Gastroenteritis</td>
<td>A combination of frequent loose or watery stools [diarrhoea], vomiting, fever, stomach cramps, headaches.</td>
<td>⏳... for at least 24 hours after diarrhoea and/or vomiting stops.</td>
</tr>
<tr>
<td>German measles (Rubella)</td>
<td>Often mild or no symptoms: mild fever, runny nose, swollen nodes, pink blotchy rash that lasts a short time.</td>
<td>⏳... for at least 4 days after the rash appears.</td>
</tr>
<tr>
<td>Glandular Fever (Mononucleosis, EBV Infection)</td>
<td>Symptoms include fever, headache, sore throat, tiredness, swollen nodes.</td>
<td>⏳... unless they're feeling unwell.</td>
</tr>
<tr>
<td>Hand, Foot and Mouth Disease (HFMD)</td>
<td>Generally a mild illness caused by a virus, perhaps with a fever, blisters around the mouth, on the hands and feet, and perhaps the nappy area in babies.</td>
<td>⏳... until all blisters have dried.</td>
</tr>
<tr>
<td>Hayfever</td>
<td>[Allergic rhinitis] caused by allergy to pollen (from grasses, flowers and trees), dust mites, animal fur or hair, mould spores, cigarette smoke.</td>
<td>⏳... unless they feel unwell or are taking a medication which makes them sleepy.</td>
</tr>
<tr>
<td>Head lice or nits* (Pediculosis)</td>
<td>Itchy scalp, white specks stuck near the base of the hairs; lice may be found on the scalp.</td>
<td>⏳... while continuing to treat head lice each night. Tell the school.</td>
</tr>
<tr>
<td>Condition</td>
<td>Symptoms</td>
<td></td>
</tr>
<tr>
<td>-----------</td>
<td>----------</td>
<td></td>
</tr>
<tr>
<td><strong>Hepatitis A</strong></td>
<td>Often none in young children; sudden onset of fever, loss of appetite, nausea, vomiting, jaundice (yellowing of skin and eyes), dark urine, pale stools.</td>
<td></td>
</tr>
<tr>
<td><strong>Hepatitis B</strong></td>
<td>Often no symptoms in young children. When they do occur, they can include fever, loss of appetite, nausea, vomiting, jaundice (yellowing of skin and eyes), dark urine.</td>
<td></td>
</tr>
<tr>
<td><strong>Impetigo</strong></td>
<td>Small red spots change into blisters that fill up with pus and become crusted; usually on the face, hands or scalp.</td>
<td></td>
</tr>
<tr>
<td><strong>Influenza</strong></td>
<td>Sudden onset fever, runny nose, sore throat, cough, muscle aches and headaches.</td>
<td></td>
</tr>
<tr>
<td><strong>Measles</strong></td>
<td>Fever, tiredness, runny nose, cough and sore red eyes for a few days followed by a red blotchy rash that starts on the face and spreads down the body and lasts 4 to 7 days.</td>
<td></td>
</tr>
<tr>
<td><strong>Meningococcal Disease</strong></td>
<td>Sudden onset of fever and a combination of headache, neck stiffness, nausea, vomiting, drowsiness or rash. <em>Seek medical attention immediately.</em> Patient will need hospital treatment. Close contacts receive antibiotics.</td>
<td></td>
</tr>
<tr>
<td><strong>Molluscum Contagiosum</strong></td>
<td>Multiple small lumps [2-5mm] on the skin that are smooth, firm and round, with dimples in the middle. In children, occur mostly on the face, trunk, upper arms and legs. Symptoms can last 6 months to 2 years.</td>
<td></td>
</tr>
<tr>
<td><strong>Mumps</strong></td>
<td>Fever, swollen and tender glands around the jaw.</td>
<td></td>
</tr>
<tr>
<td><em><em>Ringworm</em> (Tinea corporis)</em>*</td>
<td>Small scaly patch on the skin surrounded by a pink ring.</td>
<td></td>
</tr>
<tr>
<td><strong>Runny nose or common cold</strong></td>
<td>Itchy skin, worse at night. Worse around wrists, armpits, buttocks, groin and between fingers and toes.</td>
<td></td>
</tr>
<tr>
<td><strong>Scabies</strong>*</td>
<td>Diarrhoea (which may contain blood, mucus and pus), fever, stomach cramps, nausea and vomiting.</td>
<td></td>
</tr>
<tr>
<td><strong>Shigellosis</strong></td>
<td>Mild fever, red cheeks, itchy face-like rash, and possibly cough, sore throat or runny nose. <em>as it is most infectious before the rash appears.</em></td>
<td></td>
</tr>
<tr>
<td><strong>Whooping Cough</strong> (Pertussis)</td>
<td>Starts with a running nose, followed by persistent cough that comes in bouts. Bouts maybe followed by vomiting and a whooping sound as the child gasps for air.</td>
<td></td>
</tr>
</tbody>
</table>

*It is important that the rest of the family is checked for head lice, scabies and ringworm.
Join us for a workshop

How to use advocacy skills to achieve a good life for your family member with developmental disability

Taking action for a good life

Connect with others and hear how families have used their advocacy skills to build a good life for their family member.

**Taking action for a good life** will help you to explore why and when you need to speak up for your family member. You will leave with ideas, strategies and a strong framework to undertake advocacy actions in the future.

We believe that families can create positive change so people with developmental disability can experience the same opportunities that others enjoy.

Family Advocacy is a state wide advocacy organisation concerned with the needs, interests and rights of people who have developmental* disability. Our aim is to achieve positive social roles for people with disability through the development of advocacy by families and by strengthening the knowledge, role and influence of the family.

*Developmental disability includes but is not limited to: autism, intellectual disability, cerebral palsy, spina bifida and multiple disability.

It's amazing, it's been 3 years since the Moscow Circus last visited Bathurst. 
The good news is that it's coming back. 

**BATHURST – SHOWGROUNDS 5 – 15 JUNE** Great Western Highway. 
Don't miss us get your tickets now or it will be another 3 years!!

This Totally New Show – Like Never before returns, with an exciting array of Acts, 
It's BIGGER and BETTER than ever before!!

The Big Top and the Stage are about to go up and the performers will arrive to set up for the Great Moscow Circus. The Great Moscow Circus, brought to Australia by Michael Edgley will thrill and amuse everyone in the audience age 3 to 93.

For the last 3 years the Circus has travelled in excess of 65,000kms, showing to over 900,000 people and raised nearly $500,000 in support of charities in Australia.

**Totally New Show for 2014 - 2015** features all new acts, presenting an exhilarating exhibition of Circus at its very Best! Fun filled and emphasising the brilliance of traditional Russian Circus, with an explosive array of acts like never before, showcasing extraordinary skills and ability. “FANTASTIC”…“EXTRAORDINARY”…“AMAZING”…Whichever expression you use, it will leave you spellbound.

Michael Edgley as many people in Australia will recall, is now approaching an amazing 50 years in the business, in itself a truly incredible achievement. He is proudly supported by the Edgley family.

The Great Moscow Circus began touring all those years ago, and still lives on today. It brings you, the people of Australia, a show of the highest quality at an affordable price, and an enjoyable performance for all ages.

Total Madness and Insane - **The Globe of Death** – for the first time 5 highly tuned motorbikes whisking around at breakneck speeds in excess of 80kph, wait for it – yes it miraculously splits in two, making this Unique act even scarier than ever before. 3 Bikes in the top half and 2 in the bottom, keep your eyes open or you will miss them!

Carenne School has been fortunate to be given 125 tickets to the Moscow Circus in Bathurst on Thursday, 5th June 2014. Money raised from selling these tickets goes to the school. Tickets are $25 each and can be purchased from the school front office. We are grateful to the **Bathurst Regional Council** for this opportunity to raise funds for the school.

FREE two day workshop and information sessions for PARENTS/CARERS of school age students on the autism spectrum

Workshop: 2014NSWPC5 Location: Dubbo

The Positive Partnerships initiatives have been developed and delivered by Partnerships between Education and the Autism Community (PEAC) and funded by the Australian Government Department of Education, through the Helping Children with Autism package.

What will you learn?
As a result of participating in the workshops and information sessions as parents/carers you will gain:
- a greater understanding of the impact of autism on your child, both at school and at home
- knowledge about how to develop effective parent, school and teacher partnerships
- specific strategies on how to:
  - advocate for your child
  - support your child’s participation at school
  - develop an awareness of ongoing learning needs
- information about your local school system’s processes
- opportunities to network and share strategies with other parents/carers and key community members
- opportunities for discussion around a range of topics relevant to students with an ASD and their families

Some key community representatives that support families living with autism will be identified and invited to participate in the workshop with a view to supporting a community focus beyond the workshop.

Workshop details
Venue: Dubbo RSL Club  
Cnr Brisbane and Wingewarra Street, Dubbo NSW 2830

When: Two day workshop – Wednesday 25 & Thursday 26 June 2014
Day 1: 9.00 am - 4.30 pm (Registration from 8.15 am)
Day 2: 9.00 am - 3.30 pm

Registration opens Wednesday, 14 May 2014 and closes 2 days prior.  
Registration may stay open until one day before the workshop if spaces are still available, but we strongly recommend that you register as soon as possible.
You will receive a confirmation of your registration.
